

DO YOU RACE?

DO YOU GET PAID

  
ANSWER

DO YOU WANT TO  
GET PAID TO RACE?

You have to wear gear anyway, so why not get paid for it! Just fill out and send in an Answer/MSR/Pro Taper Racer Contingency Program form for a participating Race Series, buy a matching pant/ jersey/ glove combo from the 2008 Answer or MSR collections, and then go race!! Racers will earn contingency **♦RACE BUCKS♦** based on overall finishes that can be spent at your local motorcycle shop for more race related goods! Check your local Race Series website or motorcycle dealer for more details.  
**See you at the races!**
